Dear Sir,

Brunswick Town/Fort Anderson State Historic Site would like to invite the 4th Regiment, 1st Division, ANV (1st NC Battalion) to participate in our commemoration of the 150th Anniversary of the fall of Fort Anderson. This two-day program will be held February 14-15, 2015. There will be battle scenarios on both days, evening lantern tours, guided tours of the normally inaccessible Northern Battery (Battery A), and presentations by Dr. Chris Fonvielle. We will be charging \$10.00 per registrant. All of the money collected for registrations will go back into providing the troops with amenities, including a meal on Saturday night.

This event is by invitation only. Walk-ons are permitted only if they are accepted and vouched for by a participating unit commander. Unit commanders or the unit adjutant must fill out registration forms in advance, and return them to Jim McKee no later than January 31, 2015. Please call or email with questions and we look forward to seeing you in February 2015.

Thank you,
